

# INTRODUCING!

## Akiles FlexiCloser Automatic Wire Closer

Get ready to increase production speed!

The world's first Smart Detect closer automatically detects and closes any size wire with just a push of the button. The wire closing range is designed to close all types of wires, from 3/16" to 1 1/2", in either 3:1 or 2:1 pitch. The micro-adjust control panel also allows you to fine tune the closure for virtually any size wire.
